

A young woman with dark hair, wearing a black and white striped shirt, is smiling broadly at the camera. She is in a classroom setting with other students in the background. One student is writing in a notebook, and another is holding a pencil. The background is slightly blurred, focusing attention on the woman in the foreground.

Overcome Reading Challenges

REWARDS[®]

Grades 4–12

Designed by **Dr. Anita Archer** and validated by independent research, *REWARDS* is a powerful suite of short-term interventions that yield long-term results.

WHY REWARDS?

- Proven strategies for unlocking multisyllabic words and academic vocabulary with fluency and confidence
- Increases reading sophistication and access to grade-level text
- Provides students practice with the types of questions they are asked on state tests
- Explicit and systematic support for teachers
